ORDER:

In the Budget Estimate for 1949-50, a provision of Rs.20/- lakhs has been made under "47. Miscellaneous Departments--II Harijan Welfare Department--a.E.Expenditure from the fund for village re-construction and Harijan uplift." Out of this sum, the Director of Harijan Welfare has suggested the district-war allotment of funds upto the extent of Rs.5 lakhs for expenditure on the provision of sanitary amenities such as (1) pathways, (2) drainages, (3) public conveniences (4) burial grounds and (5) flaying enclosures. As the entire sum of Rs.5 lakhs proposed by the Provincial Harijan Welfare Committee is for a period of 5 years, the Government direct that a sum of Rs.1 lakh be distributed district-war as shown in the Annexure to this order, for expenditure on the above purposes during the current years. In subsequent years if any enhanced allotment for this purpose is proposed and found necessary, it will be considered on its merits.

2. The Director of Harijan Welfare and the District Collectors are empowered to sanction during the current year on individual works mentioned in para 1 above an expenditure upto a limit only Rs.5000/- and Rs.25000/- respectively without the prior sanction of Government.

3. The Director is informed that the expenditure on the acquisition and formation of pathways should not be large and that only when it is found that the local body administering the area is not in a position to attend to this amenity immediately or in the near future from its own funds, the question of meeting the expenditure from the Harijan Uplift Fund should be taken up. The Director of Harijan Welfare is requested to issue necessary instructions to the Collectors in the matter.

4. The Accountant-General is requested to admit expenditure on the amenities mentioned in para 1 above to the extent of funds provided for each district as shown in the Annexure to this Order.
